a summit for and about girls

Dear Friends,

This year's 14th annual Sister to Sister Summit needs your help. It is only through the contributions of supportive individuals and organizations that this program can succeed. Each year, the event is run on a financial shoestring – but even shoestrings aren't free!

Sexual harassment, bullying, body image, self esteem and peer pressure are not necessarily your run-of-the mill topics of dinner conversation in homes across America. Nor are they addressed in middle school classrooms along with history and English composition. Yet these and other issues such as substance abuse and school violence can pose serious dilemmas for girls and ultimately hurt their educational experience and their personal development. Over the past 12 years, the Summit has helped more than 1,100 girls in our community address these issues. For more information about the Summit, visit our website, www.sistertosistersummit.org.

We are in need of food and other supplies for this year's summit, which will be held April 4-5, 2014, at Citizens Library, Washington. Thank you for any assistance you can offer us. If you have any questions, please contact me.

Sincerely,

Kathy

Kathy Sabol, Summit Co-Coordinator
